

## 4th International Forum on Sustainable Future in Asia

*Hanoi, January 23, 2019*

*Pan Pacific Hanoi*

**VNU - Vietnam Japan University (VJU), National Institute for Environmental Studies (NIES), Japan, The University of Tokyo, Integrated Research System for Sustainability Science, and AIT Regional Resource Centre for Asia and the Pacific will jointly host the 4th International Forum on Sustainable Future in Asia, to be held from January 23-24, 2019 at Pan Pacific Hanoi.**

NIES aims to obtain scientific knowledge on environmental conservation and disseminate knowledge on environmental conservation through research and surveys on global environmental conservation, pollution control and nature protection, as well as other environmental issues.

NIES especially encourages young researchers in Vietnam to participate and submit their entries for the poster presentations at the Forum. The forum welcomes any poster with the topic under the concept of "Sustainable Future in Asia". Please note that the entries will be shortlisted by a panel of experts in case application exceeds the limited number.

Any topics related to sustainability in Vietnam and Asia including: Agriculture, Climate Change, Ecosystem, Energy, Public Health, Solid Waste, Urban and rural Development, Water, etc.

### **FORUM SECRETARIAT OFFICE**

Registration and submission: Ms. Dinh Dieu Anh of VJU (dd.anh@vju.ac.vn)

Any inquiry: Dr. Ikuro Kasuga of VJU (kasuga@env.t.u-tokyo.ac.jp)
