

Green Technologies for Sustainable Water – 2017

13-16 October 2017, Hanoi, Vietnam
<http://gtsw2017.org/>

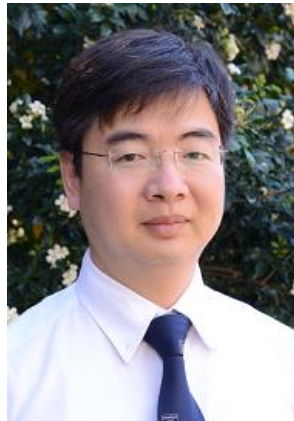

Organisers

UNIVERSITY OF WOLLONGONG
AUSTRALIA

Executive Chair
Prof. Hao Huu Ngo
University of
Technology Sydney

Chair
Prof. Long Nghiem
University of
Wollongong

Co-chair
Prof. Jianxin Li
Tianjin Polytechnic
University

Co-chair
Prof. Jun Nakajima
VNU Vietnam – Japan
University

Co-chair
Prof. Van Noi Nguyen
VNU University of
Science

Hanoi – Vietnam

Inaugural GTSW & MBR International Workshop

Honorary Conference Chair

Prof. Dr. Ashok Pandey, Center of Innovative and Applied Bioprocessing , India

Keynote speakers

Prof. Dr. Roger Benaim, Institute for Filtration and Liquid Solid Separation, France

Prof. Dr. Ramaraj Boopathy, Nicholl States University, USA

Prof. Dr. Jega Jegatheesan, RMIT University, Australia

Prof. Dr. Yamamoto Kazuo, AIT – Thailand & University of Tokyo, Japan

Prof. Dr. Jun Nakajima, VNU Vietnam – Japan University, Vietnam

Prof. Dr. Duujong Lee, National Taiwan University, Taiwan, R.O.C

Prof. Dr. Ashok Pandey, Center of Innovative and Applied Bioprocessing , India

Prof. Dr. Xiaochang C. Wang, Xi'an University of Architecture and Technology, China

Invited speakers

Prof. Dr. The Ha Cao, VNU Vietnam – Japan University, Vietnam

Prof. Dr. Jo-Shu Chang, National Cheng Kung University, Taiwan, R.O.C

Prof. How Yong Ng, National University of Singapore, Singapore

Prof. Dr. Phuoc Dan Nguyen, Ho Chi Minh City University of Technology, Viet Nam

Prof. Dr. Rao Y. Surampalli, Global Institute for Energy, Environment, and Sustainability, USA
(GTSW)

Prof. Dr. Saramanamuth Vigneswaran, University of Technology Sydney, Australia

Prof. Dr. John L. Zhou, University of Technology Sydney, Australia

Prof. Jean-Luc Vassel, University of Liège, Belgium

Conference Program

GTSW will cover the latest scientific & technological developments for:

- Water supply, wastewater purification & water recycling
- Resource recovery from wastewater
- Water resources management
- Nanotechnology for water treatment

Conference publication

The selected papers for presentation in GTWS-2017 will be recommended to specific journals (*Bioresource Technology, International Biodeterioration and Biodegradation, ASCE Journal of Hazardous, Toxic and Radioactive Waste, Journal of Water Sustainability*) for publication in the regular issue depending on quality and suitability to the journal scope. These journals will expedite the review process for publication.

Key Dates and Venue Details

Key dates

Abstract submission extended

Deadline

31st July 2017

Abstract acceptance notice

15th August 2017

Early bird registration

15th August to 15th September, 2017

Conference

13th – 16th October 2017

Sponsorship

Please contact the conference secretary for Sponsorship and group registration (≥ 5 delegates)

Exhibition Space

Date

12th – 16th October 2017

Venue

Pan Pacific Hotel

Welcome to Hanoi

Hanoi is a perfect combination of the old and the new. The city features the exotic charm of the Orient, the face of the modern Asia, and a hint of the French influence during colonial time. We look forward to welcoming you in Hanoi.

Registration fee

Category		Early bird (USD)	Standard (USD)
High income country	Registration fee	400	500
	Student	200	250
Low income country	Registration fee	300	400
	Student	150	200

- Registration fee includes gala dinner. Student fee does not include gala dinner.
- 15% discount for the group of ≥ 5 members and 20% discount for the group of ≥ 10 members.

NOTE:

The abstracts can be submitted directly by email to the conference secretariats: Dr. Wenshan Guo (email: wguo@uts.edu.au) and/or A/Prof. Faisal Hai (email: faisal@uow.edu.au). For local submission, please submit the abstracts to the local secretariat Dr. Thi An Hang Nguyen (email: nta.hang@vju.ac.vn)
