

INVITATION LETTER

OPENING WORKSHOP OF TWO NEW PROGRAMS

To: Educational Institutions, lecturers, prospective students, parents and all,

First of all, Vietnam Japan University, Vietnam National University (VJU) would like to extend a very warm welcome to all of you to the Opening workshop of two new programs.

Vietnam Japan University is a member of Vietnam National University, which is oriented and expected to create a new driving force in Vietnam's socio-economic development along with contributing to increasing the investment value of Japanese enterprises in Vietnam. VJU is also expected to become a center of cultural and academic exchange between Vietnam and Japan.

With the desire that the member units under VNU to better understand the new training programs of VJU, we organize the workshop introduced **two new training programs: Intelligent Mechatronics System and Japanese Manufacturing (MJM); Food Technology and Health (FTH)**. Coming to this workshop, attendees will have the opportunity to hear the introduction of the two new university training programs; meet teachers from the training programs, get advice on choosing the right program, scholarship opportunities and careers in Vietnam and Japan.

Detailed information of the workshop:

- Time: **14:00, June 14, 2023 (Wednesday)**
- Location: **Room 415, Vietnam Japan University, My Dinh campus, Luu Huu Phuoc, Cau Dien, Nam Tu Liem, Hanoi.**

Member units of VNU can register to attend the festival at the following link:
