Thu. 20 December, 2018

12:00 - 12:30

Room 413

Mainly about:

**Schedule of application for PhD study in Japan
MEXT Scholarship “Priority Placement Program”**

Speaker:

Mr. Yamaguchi, JICA Expert

MEXT (Japanese Government) scholarship is one of the best scholarship program for your study in Japan and its “Priority Placement Program” is designed for the students with specific conditions and less competitive.

In this session, basic information of application procedure for **PhD study in Japan** and **scholarship program for study Japan including MEXT scholarship** will be given by JICA Expert who had been working in Japanese university for more than 10 years.

This session is **for both Vietnamese and international students** and the talk will be given in **English**.
